On the occasion of the World Intellectual Property Day, the State Agency on Intellectual Property (AGEPI) will open its doors for visitors on **Thursday, April 26, between 09:00 and 16:00**.

The event aims at raising society awareness of the role and place of intellectual property in the economic, social and cultural development of the country and the need for protection and enforcement of intellectual property rights in the Republic of Moldova.

Throughout this day, visitors will be informed about AGEPI's activity, the benefit of the protection of inventions, trademarks, industrial design, copyright, etc., will receive consultations on sources of information and documentation in the field of protection of intellectual property objects and how to access national and international databases.

On the occasion of Doors Open Day, visitors will be able to leave messages in the Suggestions Book and express their expectations regarding the activity of the State Agency on Intellectual Property. AGEPI aims to make Doors Open Day a tradition.

This event takes place in the context of activities devoted to World Intellectual Property Day in the Republic of Moldova, which is traditionally celebrated on April 26. World Intellectual Property Day theme this year is: Powering Change: Women in Innovation and Creativity.

We are waiting for you and thank you for joining us, contributing to the development of the intellectual property field.
