05/02/2020 Announces
COVID-19

The State Agency for Intellectual Property informs about the resumption of its activity starting with Monday, May 4, 2020.

In the context of the state of emergency established on the territory of the Republic of Moldova, between March 17 and May 15, 2020, and the measures aimed to combat the spreading of COVID-19, to protect AGEPI staff and its applicants, AGEPI will operate according to a special activity regime throughout the entire emergency period.

For more details on the special activity regime, please access:

AGEPI press releases dated 18.03.2020 (http://agepi.gov.md/en/news/agepi-announces-special-regime-work-during-state-emergency-declared-republic-moldova [1]), and

AGEPI press release dated 27.03.2020 (http://agepi.gov.md/en/news/agepi-announces-about-prolongation-special-activity-regime-established-during-state-emergency [2]).

Depending on the evolution of the epidemiological situation generated by the infection with COVID-19 on the territory of the Republic of Moldova and the decisions taken in this regard, AGEPI will communicate, about any further modification of its working program, including extension and/or lifting of certain restrictions, on its official page www.agepi.gov.md [3].
