09/15/2020 Events

Do you want to develop a business abroad, but do not know how to protect your intellectual property (IP) rights or simply want to know the latest global developments in the field of IP? Participate in a roving webinar on World Intellectual Property Organization (WIPO) services and initiatives.

The event will take place on October 1, 2020, starting at 11.00 (Chisinau time), in French. To register go to: https://register.gotowebinar.com/register/7132483960052378639 [1]

The event will present information on various practical aspects regarding the use of the services provided by WIPO, in particular the international mechanisms for the registration of intellectual property rights, the extrajudicial settlement of disputes, the international databases of WIPO, etc.

If you want to protect your intellectual property rights abroad or you just want to keep up with new developments in the field of IP internationally, then this webinar is for you.

There will also be a question and answer session. The total duration of the event will not exceed 90 minutes.

This webinar is part of a series of online events organized by WIPO, in which the services and initiatives of the Organization are presented. More information about the webinar offer organized by WIPO is available at: https://www.wipo.int/dcea/fr/roving_seminars/index.html [2].
