The 25th edition of the International Exhibition of Inventions INVENTICA 2021, in Iasi, Romania, will be held online from 23 to 25 June 2021. The event is organized by the Technical University “Gheorghe Asachi” of Iasi and the National Institute of Inventions Iasi.

Approximately 300 works were exhibited at the current edition of the Exhibition. The Republic of Moldova is represented by 4 universities and 9 research institutes, including the State University of Moldova, Technical University of Moldova, State University of Medicine and Pharmacy “Nicolae Testemitanu”, National Agency for Public Health, Institute of Chemistry, the Institute of Microbiology and Biotechnology, Institute of Physiology and Sanocreatology, etc.

During the ceremony, Liliana Vieru, head of the Communication and International Relations Department within the State Agency on Intellectual Property (AGEPI), came to greet the organizers with a congratulatory speech on the 25th edition and the performance to organize an event of such magnitude in the time of pandemic.

“The State Agency on Intellectual Property encourages inventors and researchers from the Republic of Moldova to participate in international exhibitions and use this platform to promote innovation projects with maximum efficiency and we welcome the full presence of representatives of universities and research institutions from the Republic of Moldova at this event. Although this is the first time that AGEPI participates in the International Exhibition of Inventions “INVENTICA”, our cooperation with the Technical University “Gheorghe Asachi” of Iasi already has a beautiful tradition in European projects and we express our hope that this cooperation will be strengthened in the future.”, mentioned Liliana Vieru. The

The Exhibition INVENTICA managed to bring together in this edition many universities, research institutes, companies, associations, inventors and people interested in the field of inventions from about 10 countries and is an opportunity to communicate, exchange ideas and promote research and creativity results.

The Exhibition program includes an Art Opening “ARS INVENIENDI” and an Invention Conference.
