08/04/2021 Events

The State Agency on Intellectual Property (AGEPI) invites interested persons to participate in the international virtual exhibition in Uganda - **UGANDA VIRTUAL EXPO 2021**, which will take place from 24 to 26 August. Those interested have the opportunity to share their ideas, inventions, innovations, the exhibition ensuring an excellent communication platform in various technical and scientific fields. The online event will give each exhibitor the chance to meet and chat with new customers from around the world, upload brochures or videos to approximately 2000 registered visitors from different industries. Further information on how to organize the exhibition can be found by accessing the website: http://brightexh.com [1].

Another event for inventors is the 35th **International Festival of Innovation, Knowledge and Creativity TESLA FEST 2021**. It will be held in Novi Sad, Serbia on October 12-15, in the SPENS Vojvodina Orthodox Church Sports and Business Center, under the auspices of the Government of the Republic of Serbia, the Provincial Government and the Mayoralty of Novi Sad. The registration deadline is September 15, 2021. This year's TESLA FEST focuses on renewable energy sources and energy efficiency. More details can be found by accessing the page: www.teslafest.com [2]

Indonesia Inventors Day 2021 (IID) will take place in Indonesia from 12 to 15 October 2021, which is an international platform for researchers, inventors, scientists who will be able to present their innovations and inventions both offline and online. Indonesian Inventors' Day aims to appreciate the people who have dedicated themselves to create something innovative and at the same time useful for the whole world. The focus of this event is an exhibition and competition in which the participants can bring their final product, sample, prototype or mock-up to be presented in Indonesia Inventors Day 2021. The registration deadline is September 30, 2021. Details of the event can be found by accessing the page: www.iid-innopa.com [3]

AGEPI also invites interested persons to participate in the **Malaysia Technology Exhibition**, which will be organized in virtual format from 25 to 29 October 2021. The registration deadline is 6 September 2021. MTE 2021: SDG International Innovation Awards (SDGIIA) is the first in the region to recognize innovations, initiatives, programs and ideas that contribute to sustainability, eradicate poverty, improve well-being, protect our planet and build peace and prosperity. For more information regarding the event, including the conditions of participation and development of the exhibition, you can access the address: https://mte.org.my [4].

The State Agency on Intellectual Property encourages inventors and researchers from the Republic of Moldova to participate in international specialized exhibitions and to use with maximum efficiency this tool to promote their own innovative projects.
