09/12/2022 Announces

The State Agency on Intellectual Property announces the extension of the deadline for the presentation of works for the Drawing Contest for young people with the main title “Innovations That Would Make the World Better”.

We remind you that young people from the Republic of Moldova can participate in the contest, according to the age categories: between 7-13 years old and between 14-18 years old, who at the time of registration are studying in primary or secondary (1st-9th grades), vocational, secondary and post-secondary vocational education institutions.

The works will be evaluated according to the following criteria: originality/innovation; quality and accuracy of execution; the degree of correspondence of the work with the announced theme/fitting in with the specifics of the contest; aesthetic appearance/uniformity of colors used; technical execution of the work, difficulty and clarity of rendered objects.

The winners will be rewarded with vouchers for the purchase of electronics and gadgets.

The contest is part of the list of actions dedicated to marking 30 years since the foundation of AGEPI.

The new deadline for the presentation of works is October 31, 2022.

The Regulations and the Participation Form can be found below:
