The State Agency on Intellectual Property (AGEPI) informs that the deadline for submitting applications for participation in the **International Specialized Exhibition "INFOINVENT"**, 19th edition, has been extended until **November 17, 2025**. The event will take place from **December 3 to 5, 2025**, at the **International Exhibition Center "Moldexpo" SA**, Central Pavilion, Chisinau.

ISE "INFOINVENT" 2025 will bring together creators, researchers, entrepreneurs and institutions from the Republic of Moldova and abroad, providing a platform for presenting the most innovative ideas, products and technologies. The exhibition is structured into **five thematic compartments**:

Inventions and Plant Varieties, Industrial Design;

Innovation and Technology Transfer Projects. Research Projects. Monographs;

Creation of Youth;

Innovative Products and Services;

Creative Industries.

The submitted works will be evaluated by a jury of national and international experts, and the most valuable projects will be awarded. The evaluation will be carried out according to the criteria set out in the Regulation on the organization and conduct of the ISE "INFOINVENT [1]".

In addition to the exhibition itself, the program will include the **International Innovation Conference**, networking sessions, thematic presentations and interactive activities aimed at stimulating dialogue between academia, the private sector and research institutions.

Held every two years, the ISE "INFOINVENT" is a reference event in the field of intellectual property, creativity and innovation in the Republic of Moldova, organized by AGEPI in partnership with the **Ministry of Education and Research, the Ministry of Culture, the National Agency for Research and Development and the National Agency for Quality Assurance in Education and Research**.
