

05/21/2013 Events

State Agency on Intellectual Property of the Republic of Moldova (AGEPI) organizes on 28 May a practical training seminar entitled “Patent Information Sources. Ways of Free Access to Patent Documents”. The seminar will be held by Mr. Tudor Jovmir, Senior Specialist, Inventions and Plant Varieties Department.

The seminar aims to familiarize inventors, experts involved in the process of scientific research and innovation, both from academic and higher education environment and innovative enterprises, with the role and importance of patent information for economic development, ways of on-line access to databases and other information resources in the field of patent information.

The seminar will take place in the AGEPI Library (24/1, A. Doga Str.), starting at 14.00.

Participation in the seminar is free of charge, subject to availability.

If you want to get new practical knowledge on the ways of free access to patent documents and believe that the proposed topic is interesting for you, we encourage you to register as soon as possible to ensure a place at this event.

Registration of participants will be on a first come-first served principle, within the limits of 20 available places, by sending the [Registration Form](#) [1] to the fax number: 022 440 119 up to 26 May 2013.
