01/24/2008 Events

In the period of **February 5-8, 2008** in Chisinau in IEC "MOLDEXPO" (str. Ghioceilor, 1) will take place the VII-th National universal exhibition "Fabricated in Moldova" under the aegis of the Government of the Republic of Moldova. The organizers of the exhibition are Ministry of Economy and Commerce, the Chamber of Commerce and Industry and National Association of Producers.

The State Agency on Intellectual Property (AGEPI) will take part in the work of the VII-th exhibition edition with the informational stand granting the participants qualitative consultations on the modes of protection of the intellectual property objects in the country and abroad. Moreover, in the frame of the affaires manifestation program AGEPI in cooperation with the other public institutions will organize the round table "Aspects on protection of the industrial designs in the Republic of Moldova" and the national seminar "Trademark and role tereof in the promotion of the autochthonous products and services".
