04/23/2009 Events

State Agency on Intellectual Property of the Republic of Moldova in honour of the **World Intellectual Property Day** that is celebrated each year on April 26, organizes in April 23, 2009 in 14.00 a festive session in which will take part head of the Agency, patent attorneys in industrial property, representatives of the research and innovation institutions, high education institutions, businessmen, well-known inventors etc.

In frame of the manifestations the most active in 2008 patent attorneys will receive diploma and prizes of AGEPI. Moreover, there will be discussed results achieved by our inventors in the current year in the international exhibitions of Geneva, Moscow and Cluj. In the frame of the festivity they will be rewarded with the exhibition trophies.

In frame of the session there will take place the XII-th Republic Competition of Journalists “Create the future of the country with the intellectual property”.
