01/10/2013 Events

In the period from January 30 to February 2, 2013, at the IEC “Moldexpo” will take place the twelfth edition of the Multisectoral National Exhibition “Made in Moldova”, sponsored by the Government of the Republic of Moldova and is one of the most important exhibition events in Moldova that brings together economic agents from various activity fields and regions of the country. As organizers of the Exhibition evolves Chamber of Commerce and Industry in collaboration with the Ministry of Economy.

Exhibition “Made in Moldova” aims at supporting local producers, creating the premises for the launch on the domestic market of competitive products, developing strategic ways to stimulate innovative activities in science and production, thereby helping to increase domestic and foreign investment and creating a favorable business environment.

The manifestation in question directs domestic consumers to local producers and stimulates production of quality and competitive goods.

Exhibition “Made in Moldova” is accompanied traditionally by a comprehensive business program that allows of maximizing the opportunities for business development. For over 10 years, as part of the manifestation takes place the Gold Medal Contest of the Exhibition “Made in Moldova”, various roundtables, company and product presentations, seminars, conferences, international forums on current topics in the field of economic and commercial cooperation and the annual awarding ceremony of the Republican Contest “Trademark of the Year”.

State Agency on Intellectual Property (AGEPI) will participate this year as well in the National Exhibition “Made in Moldova” with an information stand dedicated to the national intellectual property system, giving participants qualified advice on how to protect IPO in the country and abroad, new provisions in the national legislation harmonized with EU legislation in the field, functioning of national databases (patents, industrial designs, product and service trademarks) publicly available on the AGEPI website.
