Croatian Inventors Association invites inventors and interested persons to participate in the 39th International Invention Show INOVA - 2014 and Student Business Plan Competition which will be held on 6-8 November 2014 in Osijek, Croatia. The motto of this year's event is "Building Successful Networks".

Inventions of the participants in the exhibition will be judged by an International Jury. Winners will be awarded gold, silver and bronze medals, as well as special prizes.

INOVA is an international exhibition of inventions which since 1971 attracts more participants from research academic institutions, universities and colleges and entrepreneurs from various fields of business. Also, INOVA symbolizes and encourages the development of innovative spirit in Croatia. Over the past 39 years of its existence, the exhibition presented and promoted to the public thousands of inventions both of inventors from Croatia and abroad.

Traditionally, the exhibition INOVA is attended by inventors from over 20 countries. Croatian Inventors Association is a member of the World Invention and Intellectual Property Association (WIIPA).
