01/21/2015 Events

In the period January 28 – February 1, 2015, at the IEC "Moldexpo", will take place the fourteenth edition of the National Exhibition "Made in Moldova", organized by the Chamber of Commerce and Industry of the Republic of Moldova.

The Exhibition "Made in Moldova" is aimed at promoting and supporting producers, domestic goods and services, creating conditions for the launch on domestic market, strengthening market positions, establishing cooperation contracts between businessmen in the country, but also from abroad. This event encourages consumers to use goods and services from local producers and stimulates production of competitive and quality goods.

Traditionally, the State Agency on Intellectual Property (AGEPI) participates in the National Exhibition "Made in Moldova" with an information stand on the national intellectual property system, rendering consultancy on the ways of protection of IP objects in the country and abroad, aspects of the enforcement of intellectual property rights, conditions for online submission of applications for the grant of protection, how to access national databases (inventions, industrial designs, trademarks, product and service trademarks, plant varieties, geographical indications, copyright), publicly available non-stop through the website of AGEPI.

Also, in the program of events, on January 29, AGEPI will organize a seminar to promote and disseminate information on IP protection among participating economic agents. The theme of this year seminar is *"Industrial Design - From Creation to Competitive Products"*, a seminar whereto are invited economic agents participants in the exhibition and people interested in finding out what is industrial design, what are its opportunities and how it can become a successful business, and how to protect it on export markets.

The seminar will be held in the Conference Hall of the Central Pavilion of the IEC "Moldexpo" JSC, January 29, 2015, starting at 10.00.

Participation in the seminar is free, within available places.

Welcome to the seminar!
