In order to promote information on the national intellectual property protection system among the population through libraries in the territory, State Agency on Intellectual Property, in cooperation with the Association of Librarians of the Republic of Moldova, launched the Republican Contest “Public Library - Partner in Promoting Intellectual Property”, fifth edition.

The contest will run from April 1, 2015 – April 1, 2016.

In the contest can participate libraries with the status of a republican or national library, as well as university, municipal, district and specialized ones. Libraries participating in the Contest will conduct activities on familiarization of beneficiaries with the information potential and services provided to inventors, researchers and users of information in the field of intellectual property (organization of permanent stands, holding of exhibitions, disputes and thematic seminars, round tables, establishment of new collections, etc.).

Registration for the contest is made by completing the Application for participation [1] and annexation of information - syntheses about the activities carried out.

AGEPI Library requires the submission of applications and presentation of information - syntheses on the activities undertaken by the participating libraries in the period 01-10 April 2016.

Evaluation of the information submitted to the Contest will be strictly within the limits of the criteria set out in the Regulation [2] on organization of the Republican Contest “Public Library - Partner in Promoting Intellectual Property”.
