09/14/2015 Events

In the period 5-7 November 2015, in Croatia, will be held the International Exhibition of Inventions “INOVA-2015”. The event, now at its 40th edition, is organized by the Association of Inventors of Croatia. All those who want to present their innovative works are invited to participate. A jury formed of international experts will appreciate the inventions of the participants exhibited at the fair. The best exhibits will be rewarded with gold, silver and bronze medals, as well as special prizes. The anniversary edition of this year is expected to be attended by representatives from over 20 countries.

International Exhibition of Inventions INOVA in Croatia is an ideal environment for business meetings between inventors, researchers and representatives of public and private sector.

INOVA is an event that every year attracts more and more participants both from the academic research environment, universities and colleges, as well as entrepreneurs in various fields of business. Over the years, the exhibition has presented and promoted to the general public thousands of inventions of the inventors both from Croatia and abroad.

The deadline for submitting applications for participation is 10.12.2015.
