On September 7, this year, the State Agency on Intellectual Property (AGEPI) organized a concert dedicated to the 25th anniversary of the creation of the institution. The event took place on the pedestrian street Eugen Doga in Chisinau. The institution has thus set out to highlight the creativity of the young artists, as well as those from the indigenous cultural environment.

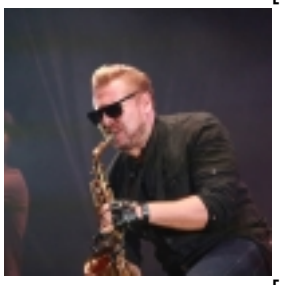

The artists who climbed the stage were Sun Stroke Project, Ionel Istrati, Adrian Ursu, Akord, Smally, Gloria, Olia Tira, Diana Brescan, Katy Rain, Max Zavidia, Samir Loghin, Flavy DJ, Alisha, Radu Duminica, and Alexandra Druk.

More than 1,000 people came to spend the evening in the entourage of native music.

Attending the event, Lilia Bolocan, AGEPI Director General, thanked everyone who came to celebrate AGEPI's 25 years of activity. "It is an honor and a privilege to celebrate 25 years with you, with the support and participation of talented artists from the Republic of Moldova. We will make every effort to ensure that the rights to the creations of these artists are respected and to give them all the respect and gratitude for what they are doing," added Lilia Bolocan.

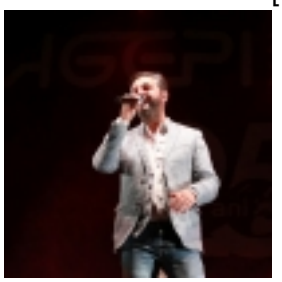

We note that on September 8, 2017, 25 years have passed since the foundation of the State Agency on Intellectual Property and the establishment of the National Intellectual Property System of the Republic of Moldova.
