The State Agency on Intellectual Property (AGEPI) informs that the seventh edition of the Moldova Business Week forum will be held on 19-20 November 2020. The event will be held in digital format and is organized by the Investments Agency of the Republic of Moldova.

The MBW program will be focused on the latest trends in the world economy, challenges, innovations and top technologies adapted to a new economic reality, topics that will be addressed by inspirational leaders, world-class experts and visionary entrepreneurs.

For the first time, over 30 companies from the Republic of Moldova will participate in sectoral sessions in which they will present their investment profiles to potential investors and partners.

The event will be attended by other international guests, government speakers and representatives of the national business environment. The participants will learn from MBW 2020 speakers about the impact of the mega-trends on the global value chains and foreign direct investments, as well as the way Moldova can exceed investors' expectations, giving access to a market of over one billion potential consumers.

The event will be held in English. To study the program of the forum in detail, as well as for other information and registration, access the platform www.mbw.md [1]. By registering for the event, you will receive a link with access to a digital direct contact platform that will offer you multiple opportunities, including the possibility to communicate through messages/calls with potential partners, investors, foreign business associations.
