The State Agency on Intellectual Property (AGEPI) participated on September 30, this year, in the celebration dedicated to the 15 years since the foundation of the Local BEST Group Chisinau.

BEST is a student organization that has been active within the Technical University of Moldova since 2007, with the aim of developing students, offering new challenges and promoting European values and culture.

AGEPI has been collaborating with this community for several years, jointly developing several engineering projects and competitions that have had a considerable impact on future engineers in various fields, including: the Engineering Rube Golberg Competition (2019), the local Summer Course (2022), Engineering Competition EBEC (annual) etc.

Present at the event, Eugeniu Rusu, Director General of AGEPI, congratulated the organization on the beautiful anniversary, noting that the young people of today are the innovators, the creators and the entrepreneurs of tomorrow.

“This type of student organizations develops organizational, leadership, responsibility and creativity skills of students. AGEPI will always be at the disposal of those who want to discover the field of intellectual property and is willing to organize informative seminars and workshops whenever we have requests”, added Eugeniu Rusu.

During the ceremony, the BEST organization presented a certificate of gratitude to the Agency for the substantial contribution to the development of budding engineers and directly of the young volunteers within the organization.
