The State Agency for Intellectual Property (AGEPI) invites interested persons to participate in the International SDG Technology Innovation Exhibition ISDGTIE 2023, organized by the Organization for Creativity, Innovation, and Invention Promotion (OCIIP) and supported globally by the International Federation of Inventors' Associations (IFIA). This year's edition of the Exhibition is scheduled to take place from 29 to 31August 2023 in online format. This event serves as a platform for cooperation, knowledge sharing and networking with the ultimate goal of promoting sustainable development on a global scale. The registration link is: isdgtie.ociip.org/registration/

Another event for inventors is the International Exhibition INVENTCOR, 4th edition, which will take place on September 14-16, 2023, at the "Dragan Muntean" Cultural Center in the city of Deva, Romania. The exhibition is organized by the CORNELIUGROUP Research-Innovation Association in collaboration with the Politehnica University of Timisoara, Hunedoara Engineering Faculty, and will take place in a hybrid format (on-site & online). The main theme of the International Exhibition INVENTCOR is the importance of developing the creative-innovative spirit through the involvement of young people. The registration deadline is August 1, 2023. You can send the registration form and the poster to: inventcordeva@gmail.com [1]. More information can be found on the Facebook page of the event: https://fb.me/e/HsV4uQj4 [2] or on the website https://www.corneliugroup.ro/inventcor.html [3]

We also inform that the Global Invention Forum "GIF-2023" will be held on October 17-18, 2023, at the GrandResort Hotel Limassol in the city of Limassol, Republic of Cyprus. At the last edition of the Forum, around 200 projects and inventions from 18 countries were exhibited. Participation in "GIF-2023" will help you strengthen international relations, establish new business contacts, attract investors to your projects, conclude cooperation agreements, make known the achievements of the scientific and technical communities to which you belong in front of an international jury, benefit from the chance to receive awards and recognition, as well as open new horizons to realize your creative potential. Applications for participation in the Global Invention Forum are accepted until October 1, 2023. Find more information by accessing the link: http://invent-forum.com/ [4]

AGEPI encourages inventors and researchers from the Republic of Moldova to actively participate in international specialty exhibitions and to fully use these opportunities to promote their own innovative projects. By participating in these prestigious events, inventors can gain international visibility and make important connections in the field of innovation and technology. The Agency expresses its full support and encourages innovators to demonstrate the talent and creativity of the Republic of Moldova at the global level.
