The State Agency on Intellectual Property (AGEPI) invites interested persons to participate in the Korea International Women's Invention Exposition (KIWIE), organized by the Korea Women Inventors Association and the Korean Intellectual Property Office (KIPO), with the support of the World Intellectual Property Organization (WIPO) and the International Federation of Inventors' Associations (IFIA). This year's edition will take place from May 22-24, 2025, in physical format.

The purpose of the event is to facilitate the exchange of information and experience, to present new technological trends, as well as to promote current innovations, thus contributing to the revitalization of women's entrepreneurial activities.

For more information about the event, including the conditions for participation in the exhibition and its conduct, please visit the link: https://www.kiwie.or.kr/eng/enterprise/info_new.php [1]. The registration deadline is April 4, 2025.

AGEPI encourages women inventors and researchers from the Republic of Moldova to actively participate in international specialized exhibitions and to fully utilize these opportunities to promote their own innovative projects. By participating in these prestigious events, women inventors can gain international visibility and establish important connections in the field of innovation and technology.
