AGEPI will be present, along with other institutions of the Republic of Moldova, at the events dedicated to Europe Day, conducted by the European Union Delegation to Chisinau within the framework of European Village, organized on May 18 and May 26 this year in Tiraspol, disseminating relevant information in the field of protection of intellectual property, including on Public Consumer Awareness Campaign "STOP Piracy and Counterfeiting".

Europe Day is a unique opportunity to promote European values, to show the cultural diversity of the EU and also to present information on EU assistance in the Republic of Moldova.

As in previous years, "European Village" will be the focus of the festivities. It will host public debates with Moldovan ambassadors and officials, information on ongoing projects funded by the EU, foreign language schools, a concert and a Film Festival. EU Member States and candidate countries will contribute to the sharing of their culture, their cuisine and their national identity with the public in the Republic of Moldova.

Europe Day in Moldova will be opened in the Square of the Opera and Ballet Theatre (152, Stefan cel Mare Boulevard), on May 18, starting at 14.00.
